The National Retail Federation is committed to helping retail go further.

WHY JOIN?

NRF membership means you are part of the voice that speaks for the nation's largest industry.

We have more than 100 years of experience championing the people and policies that fuel success for retailers, the jobs they create and the lives they impact.

Simply put, we are stronger together.

Passionately advocating for retail.

As retail's greatest champion, no one else has our experience advocating for retail.

We've led the way on policies and legislation including tax reform, border adjustment, overtime and payments, saving retailers billions of dollars. We're currently driving the conversation on issues including tariffs, privacy, tax reform and infrastructure funding.

TAX REFORM

NRF fought for years for pro-growth tax reform, and the plan signed into law reduces the corporate tax rate from 35% to 21%, saving the U.S retail industry **\$17.4 billion** a year and making retail one of the biggest winners under tax reform.

BORDER ADJUSTMENT TAX

NRF led the **defeat of a \$500 billion-a-year border adjustment tax** that would have driven up prices for consumers and put some retailers out of business.

PAYMENTS

Debit card swipe fee reform won by NRF and our merchant allies saves retailers and their customers **\$8 billion** a year.

OVERTIME

NRF successfully fought a plan to expand overtime that could have cost retailers over **\$8 billion** a year.

TARIFFS

NRF plays a leading role in advocating against new tariffs on hundreds of billions of dollars of American retail goods sold, because tariffs are ultimately taxes on businesses and consumers.

\$250,000,001 +	See below

Companies principally engaged in retailing are eligible for membership in the Federation. Under NRF’s bylaws, each member must pay dues based on total annual sales volume as reported in the most recent fiscal year. Total sales must include sales received from all retail operations including stores, catalogs, online stores and franchise fees. For federal income tax purposes, dues payments to the National Retail Federation are not tax deductible as a charitable contribution. In addition, the Omnibus Budget Reconciliation Act of 1993 includes a provision denying a tax deduction for lobbying activities conducted by trade associations such as NRF. NRF estimates substantially all dues received are nondeductible.

*If your company is less than 2 years old and under \$2M in revenue, please contact the NRF membership department at membershipinfo@nrf.com or 202.783.7971.
