RETAIL MEMBERSHIP DUES

Under NRF’s bylaws, each member must pay dues based on total annual sales as reported in the most recent fiscal year.

SALES RANGE	ANNUAL DUES	NOTES
\$0 – \$10,000,000	\$2,750*	Companies principally engaged in retailing are eligible for membership in the Federation. Under NRF’s bylaws, each member must pay dues based on total annual sales volume as reported in the most recent fiscal year. Total sales must include sales received from all retail operations including stores, catalogs, online stores and franchise fees. For federal income tax purposes, dues payments to the National Retail Federation are not tax deductible as a charitable contribution. In addition, the Omnibus Budget Reconciliation Act of 1993 includes a provision denying a tax deduction for lobbying activities conducted by trade associations such as NRF. NRF estimates substantially all dues received are nondeductible.
