

NRF[®] Operation
Open Doors
RETAIL'S PATH FORWARD

Do your part **AND** shop smart.

Thank you for keeping your distance,
taking only what you need and
wearing face coverings.

**Together we can keep our community
open for business.**

Do your part **AND** shop smart.

Practice social distancing and good hygiene.
Use contactless payment when possible.
Plan ahead and take only what you need.

**Thank you for helping keep our community
and team members safe.**

Shop smart **AND** stay safe.

For your health and ours, please follow floor markers and maintain a 6-foot distance between yourself and others.

Together we can keep our community open for business.

Not feeling well?

Please think twice
before entering.

Our top priority is the health of you,
our team members and our community.

**Together we can keep our community
open for business.**

Not feeling well?
Please think twice
before entering.

We are focused on keeping our
community, customers and team safe.

**Together we can keep our community
open for business.**

Please wait until
a team member
calls you forward.

Thank you for your patience and support.

**Together we can keep our community
open for business.**

Please be patient.

If the store is crowded,
please wait your turn.

Thank you for your commitment
to a safe, healthy shopping environment.

Do your part **AND** shop smart.

Not feeling well? Please think twice before entering.

Practice social distancing. Please follow floor markers, maintain a 6-foot distance with other shoppers and avoid close contact with store employees.

Only touch what you intend to buy, use contactless payment and wear a face covering.

Plan ahead and take only what you need.

Please wait until a team member calls you forward.

Thank you for your commitment to a safe, healthy shopping environment. Together we can keep our community open for business.
