WHY JOIN?

NRF membership means you are part of the voice that speaks for the nation's largest industry. Membership is company-wide and open to each employee.

We have more than 100 years of experience championing the people and policies that fuel success for retailers, the jobs they create and the lives they impact.

Simply put, we are stronger together.

Passionately advocating for retail.

As retail's greatest champion, no one else has our experience advocating for retail.

We've led the way on policies and legislation including tax reform, border adjustment, overtime and payments, saving retailers billions of dollars. We're currently driving the conversation on issues including tariffs, privacy, tax reform and infrastructure funding.

TAX REFORM

NRF fought for years for pro-growth tax reform, and the plan signed into law reduces the corporate tax rate from 35% to 21%, saving the U.S retail industry **\$17.4 billion** a year and making retail one of the biggest winners under tax reform.

BORDER ADJUSTMENT TAX

NRF led the **defeat of a \$500 billion-a-year border adjustment tax** that would have driven up prices for consumers and put some retailers out of business.

PAYMENTS

Debit card swipe fee reform won by NRF and our merchant allies saves retailers and their customers **\$8 billion** a year.

PRIVACY

The personalized retail customer experience is being jeopardized by new state data privacy laws. A federal privacy law could preserve retail innovation, and NRF is leading the way.

TARIFFS

NRF plays a leading role in advocating against new tariffs on hundreds of billions of dollars of American retail goods sold, because tariffs are ultimately taxes on businesses and consumers.
